Thelma Cook called for the approval of the minutes from the regular Board meeting held on April 21, 2014. Tom Campbell moved that the minutes be approved with the following correction to page 2 paragraph 10: The draft of the minutes currently provides, “He further explained that no financial impact on the revenue or expense side.” The motion would amend it to read: “He further explained that there was no financial impact on the revenue or expense side.”

Ben Uchitelle seconded the motion.
A discussion ensued.

Tom Campbell withdrew his motion to approve the minutes of the April 21, 2014 meeting.

Tom Campbell then moved that the April 21, 2014 minutes be approved with the following changes.

Tom Campbell recommended that page 4 paragraphs 1, 2 and 3 be deleted and restated as follows:

"Pat Whitaker notified the Board that on Friday April 18, 2014 she had been informed that Arcturis, a firm that she founded, has been awarded a contract to design a $1.2 million to $2.5 million pavilion at the Saint Louis Science Center."

"Pat Whitaker agreed to recuse herself from any matters with regards to the Saint Louis Science Center for the duration of the contract (Spring 2016)."

Ben Uchitelle seconded the motion. The motion passed with Thelma Cook, Robert Powell, Tom Campbell Ben Uchitelle and Robert Lowery voting 'Aye', and Gloria Wessels voting 'No'.

Tom Campbell moved that going forward the District’s Board minutes be recorded in an ‘action item only’ format. The record of the minutes should reflect who was present, issues that were discussed, public comments and who spoke; what items were addressed and what action that was taken. He further stated that the minutes should not reflect individual comments. He explained that if anyone wanted more detail, a recording of the minutes is maintained and is available. Ben Uchitelle seconded the motion. The motion to maintain the minutes in an action item only format was approved with Thelma Cook, Robert Powell, Tom Campbell Ben Uchitelle and Robert Lowery voting ‘Aye’, and Gloria Wessels abstaining.

Executive Director’s Report: Mr. Dougherty reported that, as of September 5, 2014 the District controlled bank accounts approximated $13.9 million and included:

<td>$2,137,338.21</td>
</tr>
</tbody>
</table>

Pat Dougherty then presented the District’s internal financial statements for the months of June 2014 and July 2014. No discussion resulted.

Pat Dougherty explained that a proposal was received from First National Bank that would allow the Bank to purchase U.S. Treasury Bills for the benefit of the District at year end, from funds in the District operating account. (The interest rate would remain the same – the District would receive a $1,000 stipend for participating). A discussion ensued.

No action resulted from the discussion.

Finance/Audit Committee Report: Robert Powell reported that the Audit Committee met on August 19, 2014 and reviewed the Request for Proposal for Accounting Services (“RFP”). Mr. Powell informed the Board that the RFP was published on August 29, 2014 in the St. Louis Post Dispatch; The St. Louis Business Journal; and on August 28, 2014 in the St. Louis American. In addition the RFP was posted on
the District website (www.mzdsl.org). At this time, the District has received nine requests for additional information. The deadline for responding to the RFP is September 30, 2014.

**Report of Code of Ethics:** Tom Campbell informed the Board that the Code of Ethics Committee is scheduled to meet at the District office on September 24, 2014 at noon. All Board members are welcome to attend.

Thelma Cook requested that a copy of the Code of Ethics Policy from each Subdistrict be obtained and forwarded to the Code of Ethics Committee.

**Report of Legal Counsel:** Mr. Chivell informed the Board that additional information was given to the Code of Ethics Committee as requested.

**Old Business:** Gloria Wessels requested clarification on the Loop Trolley Transportation Development District rental (“LTDD”) of the property on Delmar Boulevard owned by the History Museum. Mr. Uchitelle explained the relationship of the parties and his understanding of the transaction.

Dr. Francis Levine, President of the Missouri History Museum addressed the Board and explained that in addition to the rent paid by LTDD, it pays real estate taxes, insurance and maintenance on the property. The property rental agreement is with the Missouri Historical Society and runs through January 2015.

No action resulted from the discussion.

Gloria Wessels questioned the timing of receipt of minutes from the Subdistrict and Subdistrict Committees. A discussion ensued.

It was suggested that Subdistrict minutes be submitted to the District within one week following their final approval from all Subdistrict and Subdistrict Committee meetings. It was also suggested that the five Subdistricts consider including copies of their minutes on their respective websites.

**New Business:** Pat Dougherty then presented a Board Operating Calendar highlighting annual tasks undertaken by Board members and staff. No discussion resulted.

Ben Uchitelle presented a draft of a paper advocating the ZMD Subdistricts be granted the right to charge admission fees to non St. Louis City/County residents. A discussion ensued, following which the Board tabled further discussion until the September 29, 2014 Regular Board Meeting.

Dr. Francis Levine, President of the Missouri History Museum offered a comment about the option of admission. She explained that free admission allows the History Museum to reach a broad cross section of visitors; attendance numbers significantly decrease on an exhibit that has an admission fee. Dr. Levine further stated that if the tax base was no longer available, she could foresee that an admission charge could be an option. Dr. Levine also explained that across the country the trend is to remove admission charges to Museums.

Dr. Eric Miller, Vice President, Zoo Operations, stated that the admission charge at the Children’s Zoo area of the Zoo has a much lower attendance; there is a $4.00 admission charge for the Children’s Zoo. Dr. Miller explained that any change in the legislation could alter the current tax rates and create a ‘renewable tax’.

The chair called for public comments. There being none, the agenda continued.

**Closed Session:** Thelma Cook moved to close the meeting pursuant to RSMo. § 610.021 (3) and (13) to discuss personnel matters. Robert Powell seconded the motion. A roll call vote to approve the motion
was taken and was passed unanimously. Minutes from the closed session will be prepared by Mr. Chivell and filed at the office of Armstrong Teasdale LLP.

The closed session was adjourned and the regular meeting was then reopened to the public at 1:40 p.m.

There being no other business, Mr. Uchitelle moved that the meeting be adjourned. Mr. Campbell seconded the motion, which was adopted unanimously with all members voting “Aye.”

The meeting adjourned at 1:45 p.m.

Respectfully submitted,
