Upon roll call, the following Board members were present:

The Chair then called for Public Comments.

Mr. Uchitelle, a public citizen, addressed the meeting and expressed his concern over Senate Bill 49. Mr. Uchitelle stressed that the proposed sales tax is a regressive tax and may present some challenges for the District. His concerns included how the potential sales tax revenue will be spent; the possible restrictions for the other Subdistricts to be able to go out for additional revenue increases; and the impact on the currently taxed city and county residents. Mr. Uchitelle advocated that the Zoo and the ZMD Subdistricts be granted the right to charge admission fees to non-St. Louis City/County residents.

Zoological Park Subdistrict Budget Presentation: Dr. Bonner initiated the budget presentation with an update of Association of Zoos and Aquariums accreditation and the Zoo was named the top free attraction and America’s top free Zoo.

Dr. Bonner further explained that tax support revenue remained flat and provides funding for core functions at the Zoo, including: utilities, animal division, education department, veterinary hospital, animal research, finance, human resources, facilities management and marketing.

Dr. Bonner presented an overview of the Zoo’s endowment and investment funds and the association’s portfolio. He explained how funds are used to fund new exhibits like Grizzly Ridge. He recapped the year and highlighting: diversity, attendance, membership, visitor data including area/northern area tourists and city county residents and visitor satisfaction ratings. Dr. Bonner explained the facilities condition assessment, a review of every major component of equipment and structures within the Zoo, and their deferred maintenance plan. The overall deferred maintenance looking out over 20 years is about $102 million dollars.

Board Members asked for further clarification on the ongoing needs for additional capital and the strategies required to implement them. Questions regarding the ‘collar counties’ (Jefferson County, St. Charles County and Franklin County), related to House Bill 49 and who would be oversee the collection of the taxes. A question on what percentage of restricted/unrestricted endowment can be used was asked and answered.

Upon completion of the budget presentation the meeting recessed. Within a few minutes, Ms. Chadwick called the meeting to order.

Due to lack of a quorum the board continued with an informational session.
